EXECUTIVE SUMMARY

Marketing and e-commerce growth leader with 12+ years of experience across Saudi Arabia, Egypt, and MENA. I specialize in building "Commercial Engineering" systems—aligning marketing, e-commerce, and operations to ensure that growth is sustainable and ROI-focused. I don't just run ads; I oversee full cycles of offer creation, conversion optimization, and cross-departmental quality to ensure marketing drives actual business outcomes.

IMPACT HIGHLIGHTS

7× Revenue

Real Estate Growth

At Tatweeq through productizing offers and ROI-driven marketing.

PROFESSIONAL EXPERIENCE

- Head of Digital Marketing Squads** 2023 – Present
Qyadat | Riyadh, KSA
 - Directing 9-person cross-functional teams targeting Healthcare, Education, and Automotive sectors.
 - Overseeing full-cycle marketing quality by aligning creative, tech, and sales departments.
 - Repositioned Mora WhatsApp around Support and Retention outcomes rather than just features.
 - Developed repeatable planning frameworks that maintain ROI consistency across different industries.
- Growth & Marketing Manager** 2022 – 2024
Tatweeq Real Estate Development
 - Achieved 7x revenue growth in one year by moving from task-based marketing to outcome-based selling.
 - Packaged real estate services into clear growth products, eliminating scope creep and improving lead quality.
 - Tightened the sales-to-delivery handover, ensuring high contract retention and customer lifetime value.

PROFESSIONAL EXPERIENCE (CONT.)

Digital Marketing Operations Lead
Arabian Oud | Riyadh + Global

2014 – 2023

- Engineered the digital infrastructure supporting a \$478M retail valuation during the 2019-2020 scale-up.
- GWR Record Implementation: Orchestrated the marketing operations that secured the Guinness World Record.
- SEO Structure: Built a technical SEO foundation focused on Category Taxonomy, driving 6x organic revenue growth.
- Budget Governance: Managed daily ad spend between \$12k-\$20k across 6 markets with deep attribution tracking.

Digital Transformation Specialist
Iso-tec | KSA

2018 – 2023

- Digitized ISO quality workflows, reducing operational time waste by 20% for major Saudi enterprises.
- Aligned internal marketing outputs with quality management standards to ensure brand consistency at scale.

E-commerce System Specialist
DigiMora | Project Layer

2023 – 2024

- Engineered a custom inventory and warehouse management layer for a multi-tenant e-commerce system.
- Unified online POS (Point of Sale) logic with warehouse stock levels to eliminate overselling issues.

Digital Transformation Strategist
Kuwait Finance House

2021

- Redesigning traditional banking workflows for digital-first market engagement.
